BOWSTON BLACK

Black is the darkest, most challenging but often most powerful of shades.

It is a classic colour, recognised as stylish and timeless, and we are internationally renowned as expert creators of black papers for outstanding design presentation.

Bowston Black is made from 100% reworked fibre from paper processing: with zero waste to landfill.

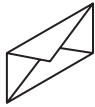

FibreBlend
UPCYCLED TECHNOLOGY

100% UPCYCLED
FIBRE CONTENT

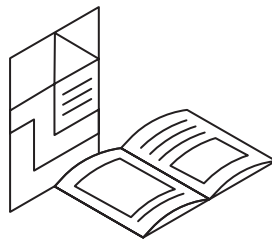

APPLICATIONS

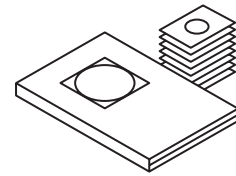

These solid dyed papers and boards prevent white edges and break-white on folds and creases and are suited to a wide variety of applications such as: Backing boards for Pads, Photo Albums, Display Boards, Brochures, Packaging and Security Envelopes.
