KENDAL MANILLA

A byword for high quality boards, Kendal Manilla is the benchmark for stationery and filing.

Versatility, durability and reliance are hallmarks of this twelve colour range, whether used for presentation folders, swing tags or medical records.

Printing and converting performance on automated machines is guaranteed to be problem-free, running smoothly through a variety of processes.

Our upcycled fibre lives a second life within Kendal Manilla and is blended with fresh fibre from sustainable forestry sources. This is a combination that keeps materials in use and helps the regeneration of natural systems.
