# TOPS AND BASES

Deliver beverages with confidence

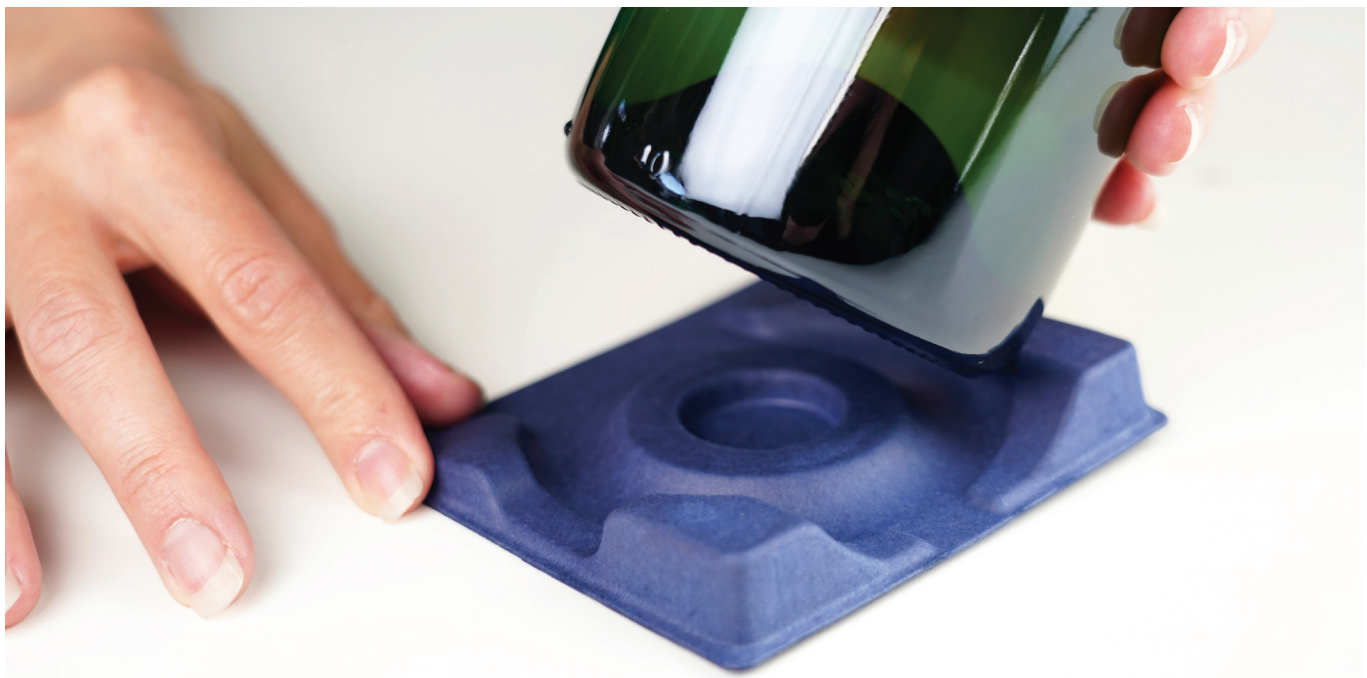

Tops and bases provide a plastic free alternative to existing internal fitments within rigid boxes. Both elements are 100% recyclable with no dismantling required - allowing consumers to do their part quickly and easily.

Moulded fibre allows brands to eliminate plastic and foam from their supply chains.

## APPLICATIONS

Tops and bases are designed to be adaptable and can work with any glass bottle in the beverage sector, from whiskey to champagne.

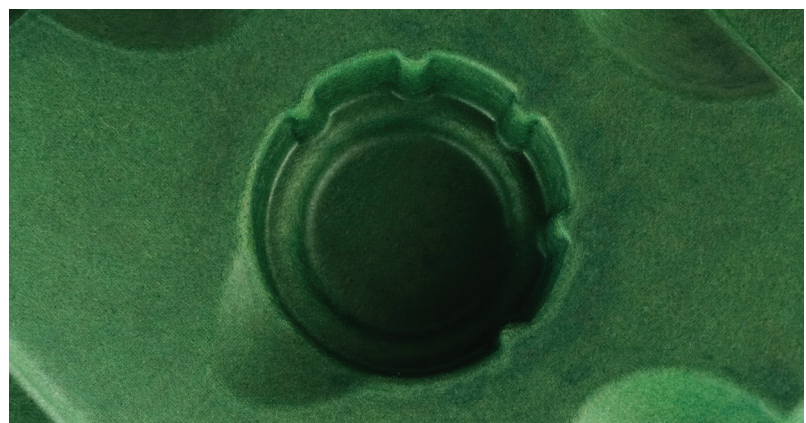

## PRINT SUITABILITY

- Print
- Foil Blocking

## TECHNICAL INFORMATION:

- WEIGHT: DEPENDENT ON PRODUCT
- PART THICKNESS: AVERAGE 0.8MM  
– MAXIMUM 1.00MM
- DRAFT ANGLE: MINIMUM 3 DEGREES
